

Basic Massage Course Programme 13-14/10/2009

Learn Basic Massage Skills on our 2 Day workshop (introductory).

Meet other Massage Therapists at Vasia Beach Hotel and Spa, where you can exchange and learn new skills relating to Massage Therapy.

The Basic Workshop Syllabus:

- Learn Full Body Basic Massage Techniques
- Learn some Muscular-Skeletal Anatomy
- Learn Quality of Touch and Massage Strokes
- Record Keeping of Treatments and Massage Therapy Records (S.O.A.P) recording
- Learn good Therapist Etiquette
- How to set up a Massage Clinic

A Certificate of Attendance and reaching the required standard of the Course will be awarded to participants of the workshop.

Student requirements for Introductory Massage Workshop

1. Qualification in Anatomy and Physiology
2. Some Massage Therapy Experience (minimal)

During the workshop you will **give** and **receive** Massage from other course participants under strict Supervision from the Tutor.

The Therapists attending the course must be covered by their own Insurance.
